

Supplement 4E—Hand Movements for *Water Dance*, by Thomas Locker

Rain	Fluttering fingers down
Mountain Stream	Small undulations with one hand (perpendicular to the floor)
Waterfall	Downward slide
Lake	Circle both arms in front of you
River	Large undulations with one hand and wrist (parallel to the floor)
Ocean (Sea)	Crest and trough motion to imitate waves
Mist	Rising fingertips to suggest tiny drops
Clouds	Two cupped hands to form one cloud
Storm Front	Move hands farther apart for storm front
Thunderhead	Hands even farther apart and shake them lightly for thunderhead
Storm	Flick open fingers and clap hands for lightning and thunder
Rainbow	Make an arch from right to left with one hand (left to right for students)
